Die Mitglieder-Initiative PLAY+STAY

DER SPASS KANN KOMMEN.

Die weltweite Mitglieder-Initiative PLAY+STAY wurde offiziell im Juni 2007 durch den Internationalen Tennisverband (ITF) vorgestellt. Inzwischen haben sich über 30 Tennisnationen der Kampagne angeschlossen und verfolgen mit PLAY+STAY die Zielsetzung, mehr Menschen dauerhaft für den Tennissport zu begeistern. Auch in Deutschland wird die Mitglieder-Initiative seit 2007 umgesetzt und hat das Tennisleben und spielen nachhaltig verändert.

Schneller. Leichter. Besser.

Die Stufen Rot, Orange und Grün erleichtern mit druckreduzierten Bällen, kleineren Plätzen und angepassten Schlägegrößen allen Anfängern das Tennisspielen von der ersten Stunde an. Attraktive Spiel- und Wettkampfformen, angepasste Zählweisen sowie gesundheitsorientierte Trainingsangebote runden das zielgruppengerechte Angebot auf Deutschlands Tennisplätzen ab.

Die Leitgedanken und Bausteine der Initiative setzen sich auch in den Wettkampfbedingungen, Turnieren und Konzepten fort. So gibt es inzwischen eine Reihe von Projekten, die PLAY+STAY in den unterschiedlichen Bereichen umsetzen.

Informieren Sie sich.

Über die Navigationsleiste links gelangen Sie zu den Unterseiten der verschiedenen Themengebiete und Projekte von PLAY+STAY.

Die PLAY+STAY [Infoprospekt](#) gibt Ihnen einen ersten Überblick über die Inhalte der Tennisinitiative. Flyer für Ihren Eigenbedarf können Sie kostenfrei per Mail an service@dtb-tennis.de bestellen.

Zwei kurze Filme fassen die Inhalte und Ziele der Mitglieder-Initiative zusammen:

Bruce Castle Park Achieves National Recognition

Local kids enjoying the park by James Jordan Photography

The LTA and Tennis Foundation have announced that Bruce Castle Park in Tottenham has been awarded 'Beacon' status as part of the AEGON Parks Tennis programme.

To celebrate this achievement local companies and over 500 members of the community came together bank holiday Monday (May 07) for a free sport and music festival which included tennis, basketball, football, athletics and zumba.

The club is one of a number of sites across the country to have achieved the national accolade, which recognises the best community-focussed facilities offering free and affordable tennis as part of the AEGON Parks Tennis programme.

To achieve this status, facilities must also offer access to quality, affordable coaching as well as regular competitions for all ages and abilities.

Haringey Tennis Development Officer, Siwan Stephens along with Tottenham Hotspur Foundation have been instrumental in the development of tennis in the Haringey area and continue to work hard to make a big difference to

SRBIJA

<http://www.tennis10s.rs/naslovna.html>

Dobrodošli na zvaničnu internet prezentaciju
Tennis10s asocijacije Srbije.

Nekolicina entuzijasta je još pre 3 godine odlučila da započne sa ovim programom u Srbiji, bez obzira na oprečna mišljenja teniskih radnika u Srbiji. To se pokazalo kao ispravan potez, naime, od sledeće godine ovaj program je zvaničan ITF program za razvoj dece u tenisu do 10 godina starosti. Zahvaljujući razumevanju Tenis saveza Beograda program Tennis10s je ove godine uvršten u redovni program takmičenja u Beogradu, i samim tim postao zvaničan program za razvoj dece do 10 godina starosti u tenisu. Na ovim stranicama pronaći ćete sve informacije vezane za program Tennis10s u Srbiji, kao i za program Play+Stay koji je srodan ovom programu samo se odnosi na igrače svih uzrasta.

Trenutno smo u fazi izgradnje prezentacije te vas molimo za strpljenje. Prezentacija će svakodnevno biti proširivana. Hvala na razumevanju unapred.
